

OCRIMS COMMUNITY OUTREACH--

CALIFORNIA COASTAL CLEANUP ON SATURDAY, SEPTEMBER 15

OCRIMS is looking for volunteers to participate in California Coastal Cleanup Day on September 15th. This activity has grown in scope and magnitude over the years, and it is expected that more than 60,000 volunteers will lend a hand this year in picking up hundreds of thousands of pounds of trash and recyclables from beaches, lakes, and waterways.

First and most importantly, everyone can participate in Coastal Cleanup Day, no matter what age. The actual Cleanup effort starts at 9:00 a.m. Each Cleanup site will be headed up by one or more Site Captains who will be in charge. Once you arrive, seek out your Site Captain and follow his/her instructions.

All the supplies you need will be provided: trash and recycling bags, gloves, etc. Each volunteer will need to bring or sign a liability waiver before they can start the Cleanup. You can save yourself some check-in time if you bring a signed waiver downloaded from:

<https://www.coastal.ca.gov/publiced/ccd/waiver.pdf>.

The OCRIMS volunteer group will help to clean up Crystal Cove Beach in Laguna Beach. Just another reminder that this event is open to all risk management professionals, vendor partners, their families and friends. We will also sign off on community service requirements for students. OCRIMS participated in California Coastal Cleanup a few years ago, and all of the volunteers enjoyed the experience!

What to Wear

- Closed-toed shoes
- Sunscreen
- A hat
- An extra layer, like a sweater or jacket in case it is chilly in the morning.

To register for the OCRIMS Coastal Cleanup Community Outreach event, use the following link:
